

GIVE ME LOVE, GIVE ME LIFE

Roger Hodgson (*Supertramp*)
From the album "In the Eye of the Storm"

It's feeling like it's time to ring the changes
It's feeling like it's time to be REBORN
Cause here we go again, proclaiming it's the end
We're reaching out for something to bring it back again
We're living on good fortune, we're cheating all our friends
So tell me, oh tell me, now where's it going to end!

I hope it's not too late to see the Danger!
I'd really like to Wake and see the Dawn!
Cause here we go again, we're trying to pretend
We're blaming one another for what is ours to mend
We're fighting for the future, we're ringing' out the past
It feels good, it feels good but is it going to last?

~ Chorus ~

*Give me Love! Give me Love! Give me Joy! Give me Pain!
Give me Light! Give me Starting Again!
Give me Hope! Give me Hope! Give me Sun! Give me Rain!
Get me up, get me dancing again!
Give me Life! Give me Life! Give me High! Give me Low!
Give me Truth! Give me something to Know!
Give me Time! Give me Time! Give me Room! Give me Rope!
Give me Sign! Give me reason to Hope!*

*Give me reason to Hope! Yea, yea, yea; Give me Hope!
Owoo ma, ma, ma; Give me Hope; Give me Hope!
Owoo yea, yea, yea; Give me Hope!*

Cause everything is a turn up, turnaround
And everything is just upside, upside-down
Well everything is not like you'd like it to be
Everything is a two-bit, two-bit town
And everybody's just out to drag you down
Well nothing is as you'd like it, like it to be
Like it to be!

Well, everything is a turn up, turnaround
And everything is just upside, upside-down
Well nothing is as you'd like it, like it to be!
Yea! Everything is a two-bit, two-bit town!
And everybody's just out to drag you down!
Well nothing is as you'd like it, like it to be!
Like it to be! Like it to beeeeeee!

*I MAY NOT LOVE YOU, BUT I CAN'T STOP THINKING ABOUT YOU!
I MAY NOT LOVE YOU, BUT I CAN'T STOP THINKING ABOUT YOU!
I MAY NOT LOVE YOU, BUT I CAN'T STOP THINKING ABOUT YOU!
I MAY NOT LOVE YOU, BUT I CAN'T STOP OOOOO!
I MAY NOT LOVE YOU, BUT I CAN'T STOP THINKING ABOUT YOU!
I MAY NOT LOVE YOU, BUT I CAN'T STOP THINKING ABOUT YOU!
I MAY NOT LOVE YOU, BUT I CAN'T STOP THINKING ABOUT YOU!
I MAY NOT LOVE YOU, BUT I CAN'T STOP!*

~ Chorus ~

Yeaaaaa!!!!!!!!!!!!!!

I see just what I want to see, just like I want to be
I can be anytime, anyplace, anywhere
I go just where I want to go, just when I want to know
I can go anytime, anyplace, anywhere
Things just ain't what they used to be,
Ain't what they ought to be
Ain't what they've got to be, gonna be probably
Things just ain't gonna get to me, ain't gonna bother me
Ain't gonna worry me, hurry me, let `em be

~ Chorus ~

O` GIVE ME LIFE!!!!!!
