MEMORANDUM OF LAW ORIGINAL 13TH AMENDMENT

10 This Article of Amendment, ratified in 1819 and which just "disappeared" in 1876,
added an enforceable strict penalty, i.e., inability to hold office and loss of citizenship,
for violations of the already existing constitutional prohibition in Article 1, Section 9,
Clause 8 on titles of nobility and other conflicts of citizenship interest, such as accepting

emoluments of any kind for services or favors rendered or to be rendered. This is particularly applicable today in the 21st Century as government is increasingly FOR SALE to the highest bidder, as foreign and multinational corporations and individuals compete to line the pockets of politicians and political parties to accommodate and purchase protection or privilege, i.e. honors, for their special interests.

Article 13, ratified in 1819, reads as follows:

If any citizen of the United States shall accept, claim, receive, or retain any title of nobility or honour, [BAR lawyers have the title of high honor above gentleman, and below knight called "Esquire"] or shall without the consent of Congress, accept and retain any present, pension, office, or emolument of any kind whatever, from any emperor, king, prince, or foreign power, such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them, or either of them.

In January, 1810, Senator Reed proposed the "Title of Nobility" Amendment. The Senate voted to pass by a vote of 26 to 1; the House resolved in the affirmative 87 to 3; by Dec. 10, 1812 twelve of the required thirteen States ratified Amendment XIII.

The following states and/or territories have published the Titles of Nobility 13th Amendment in their official publications as a ratified amendment to the Constitution of the United States in the following years, and then it mysteriously disappeared:

- 1) Colorado - 1861, 1862, 1864, 1865, 1866, 1967, 1868;

55 **RECAPING;** Titles of Nobility 13th Amendment was published as ratified in 24 States in 78 separate official government publications.

In the winter of 1983, archival research expert David Dodge, and former Baltimore police investigator Tom Dunn, were searching for evidence of government corruption in public records stored in the Belfast Library on the coast of Maine. By chance, they
60 discovered the library's oldest authentic copy of the Constitution of the United States (printed in 1825). Both men were stunned to see this document included a 13th Amendment that no longer appears on current copies of the Constitution. Moreover, after studying the Amendment's language and historical context, they realized the principle intent of this "missing" 13th Amendment was to prohibit lawyers that were
65 members of the British BAR from serving in government. If this Amendment had not disappeared from history there would not have been an American BAR that was established in the 20th century and Natural Law a/k/a Common Law would not have been unlawfully eradicated which was accomplished by simply teaching statutory law in place of Natural Law. Since all American lawyers and judges and most legislators are
70 members of the BAR and thereby BAR taught and must pass the BAR examination which simply expunged Natural Law by not teaching it and therefore our courts are completely ignorant of true Constitutional Law.

So began a seven-year, nationwide search for the truth surrounding the most bizarre Constitutional puzzle in American history -- the unlawful removal of a ratified
75 Amendment from the Constitution of the United States. Since 1983, Dodge and Dunn have uncovered additional copies of the Constitution with the "missing" 13th

Amendment printed in at least eighteen separate publications by ten different states and territories over four decades from 1822 to 1860.

80 In June of 1984, Dodge uncovered the evidence that this missing 13th Amendment had indeed been lawfully ratified by the state of Virginia and was therefore an authentic Amendment to the American Constitution. If the evidence is correct and no logical errors have been made, a 13th Amendment restricting BAR lawyers from serving in government was ratified in 1819 and removed from our Constitution during the tumult of the Civil War.

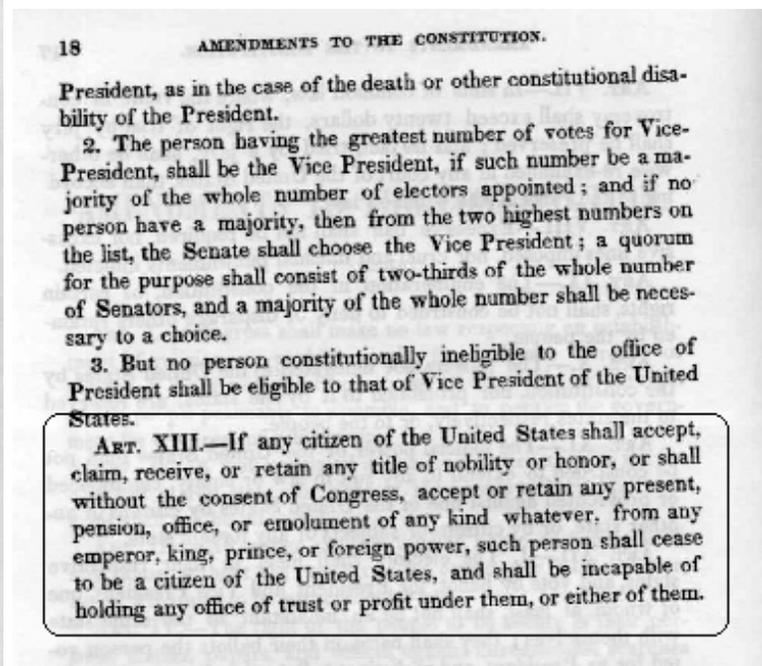

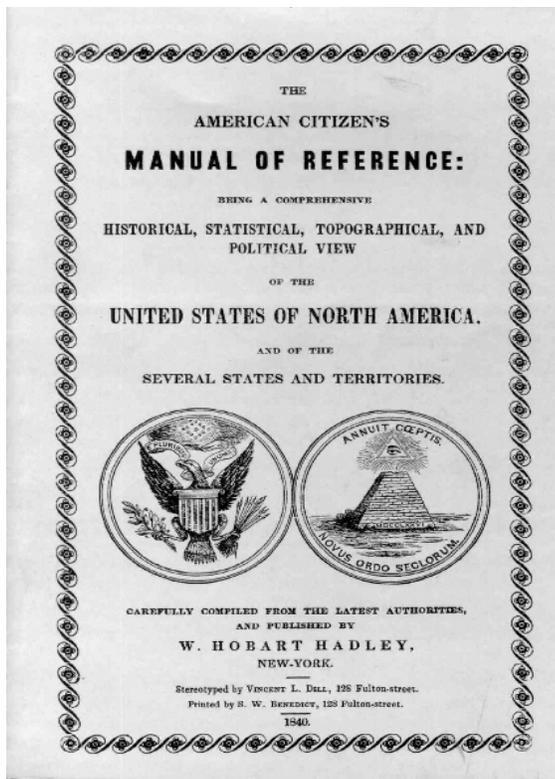

85 In January, 1810, Senator Reed proposed the "Title of Nobility" Amendment (History of Congress, Proceedings of the Senate, p. 529-530). On April 27, 1810, the Senate voted to pass this 13th Amendment by a vote of 26 to 1; the House resolved in the affirmative 87 to 3; and the resolve was sent to the States for ratification: By Dec. 10, 1812, twelve of the required thirteen States had ratified as follows: Maryland, Dec. 25, 1810; 90 Kentucky, Jan. 31, 1811; Ohio, Jan. 31, 1811; Delaware, Feb. 2, 1811; Pennsylvania, Feb. 6, 1811; New Jersey, Feb. 13, 1811; Vermont, Oct. 24, 1811; Tennessee, Nov. 21, 1811; Georgia, Dec. 13, 1811; North Carolina, Dec. 23, 1811; Massachusetts, Feb. 27, 1812; New Hampshire, Dec. 10, 1812. Before a thirteenth State could ratify, the War of 1812 broke out and interrupted this very rapid move for ratification.

95 The 1876 Laws of Wyoming which also show the "missing" Thirteenth Amendment, along with the current 13th Amendment (freeing the slaves) and the current 15th Amendment on the same page. The current 13th Amendment is listed as the 14th, the current 14th amendment is omitted, and the current 15th Amendment is in its proper place.

100 No record has been found that the State of Connecticut ever acted to either accept or reject this original 13th Amendment. Yet, it was published in three separate editions of "The Public Statute Laws of the State of Connecticut" as a part of the U.S. Constitution in 1821, 1824, 1835 and 1939. Then, without record or explanation, it mysteriously disappeared from subsequent editions prior to the Civil War between the states. 105 However, printing by a legislature is prima facie evidence of ratification, and it has been found to have been printed as part of the Constitution in this and many other states until around the Civil War period - when it mysteriously disappeared from subsequent printings. It was found to have been printed by the legislature of Connecticut in the

110 following: 1821 - The Public Statute Laws of the State of Connecticut, as revised and
enacted by the General Assembly in May, 1821 pg. 19 1824 - The Public Statute Laws
of the State of Connecticut, as revised and enacted by the General Assembly in May,
1824 pg.18-19. The Public Statute Laws of the State of Connecticut, compiled in
obedience to a resolve of the General Assembly passed May, 1835, to which is prefixed
the Declaration of Independence & Constitution of the United States and the State of
115 Connecticut, published by the authority of the State of Connecticut. The Marginal note
in all three publications reads: "Citizenship forfeited by the acceptance, from a foreign
power, of any title of nobility, office or emolument of any kind." The prima facie
evidence of ratification of this Amendment is overwhelming. Since the creditors of this
bankruptcy are foreign powers and this "unaccountable committee of BAR lawyers"
120 spoken of by Robert H. Bork have accepted and retained the "office of trustee" for these
creditors and foreign powers, their Citizenship has been forfeited by this acceptance.
Since the Amendment was never lawfully repealed, it is still the Law today. The
implications are enormous.

125 Below is proof of the de facto government's actions. Below is the original thirteenth
amendment as it appears in a manual printed in 1840 for American citizens

DECLARATION OF INDEPENDENCE.

IN CONGRESS, JULY 4, 1776.

The Unanimous Declaration of the Thirteen United States of America.

WHEN in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind, requires, that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident: that ALL MEN ARE CREATED EQUAL; that they are endowed by their Creator with certain unalienable rights: that among these are life, liberty, and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate, that governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty to throw off such government, and to provide new guards for their future security. Such has been the patient sufferance of these colonies; and such is now the ne-

STATE OF NEW HAMPSHIRE

In the Year of Our Lord Two Thousand Thirteen

AN ACT recognizing the original Thirteenth Amendment to the United States Constitution.

Be it Enacted by the Senate and House of Representatives in General Court convened:

1 Preamble and Statement of Intent. The general court hereby finds that:

2 I. In 1810, a proposed amendment to the United States Constitution, which prohibited titles

3 of nobility and which later became known as the original Thirteenth Amendment, was introduced,

4 passed both houses of Congress, and was sent to the states for ratification. On December 9, 1812,

5 shortly after ratification by Virginia, New Hampshire became the thirteenth state to ratify the

6 amendment. The amendment was therefore ratified by the requisite number of states and became

7 Article XIII of the United States Constitution.

8 II. During the War Between the States, otherwise known as the Civil War, the country was

9 under martial law, and all executive orders made by President Lincoln were, in effect, law. After the

10 war, laws made during that period were to be abated; yet, vestiges of martial law remained and

11 presidents continued to write executive orders.

12 III. The District of Columbia Organic Act of 1871, otherwise known as the Act of 1871,

13 created a corporation in the District of Columbia called the United States of America. The act

14 revoked prior legislation relative to the district's municipal charter and, most egregiously, led to

15 adoption of a fraudulent constitution in which the original Thirteenth Amendment was omitted.

16 IV. Today, what appears to the public as the United States Constitution is not the complete

17 document, as it was never lawfully amended to remove the Thirteenth Amendment. Instead, the

18 document presented as the United States Constitution is merely a mission statement for the

19 corporation unlawfully established in the Act of 1871.

20 V. The purpose of this act is to recognize that the original Thirteenth Amendment, which

21 prohibits titles of nobility, is properly included in the United States Constitution and is the law of

22 the land. The act is also intended to end the infiltration of the Bar Association and the judicial

23 branch into the executive and legislative branches of government and the unlawful usurpation of the

24 people's right, guaranteed by the New Hampshire constitution, to elect county attorneys who are not

25 members of the bar. This unlawful usurpation gives the judicial branch control over all government

26 and the people in the grand juries. As long as the original Thirteenth Amendment is concealed from

27 the people, there shall never be justice or a legitimate constitutional form of government.

28 2 New Chapter; Thirteenth Amendment. Amend RSA by inserting after chapter 1-A the

29 following new chapter:

7 shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or

Clearly, the founding fathers saw such a serious threat in "titles of nobility" and "honors" that anyone receiving them would forfeit their citizenship. Since the government prohibited "titles of nobility" several times over four decades, and went through the amending process (even though "titles of nobility" were already prohibited by the Constitution), it's obvious that the Amendment carried much more significance for our founding fathers than is readily apparent today.

SEDITIONOUS CONSPIRACY⁷

According to the Southern Poverty Law Center (SPLC) Intelligence Report, which proclaims to be the nation's preeminent periodical monitoring the radical right in the United States, has counseled all government agencies and police departments into believing that anyone that uses specific words like militia, sovereign, oath keepers, constitution, patriots and even founding fathers, to name just a few, are armed, radicals and dangerous cop killers, whose names are put on the terrorist watch list. This agitation often causes police to over-react with excessive force and on a few occasions respond by SWAT teams when these words are used at traffic stops.

Much of the overreaction that fuels the police comes from www.policemag.com that spews forth the lies of the Southern Poverty Law Center to unsuspecting law-enforcement agencies and departments. The SPLC is an arm of the BAR whose purpose is to excite violence by federal agents and police upon the People who are trying to return Law, Order and Justice back into our status quo courts.

Sometime after 1819, the 13th Amendment that barred BAR attorneys (esquires) from elected offices and our courts, just disappeared, just in time for the founding of the American Bar Association on August 21, 1878, in Saratoga Springs, New York, by 100 esquires (BAR attorneys) from 21 states.

On September 21, 1950 a Report on the National Lawyers Guild, Legal Bulwark of the Communist Party, by the Committee on Un-American Activities, House Report No. 3123 81st Congress 2nd Session reported:

⁷ **18 U.S. Code § 2384 – Seditious conspiracy:** If two or more persons in any State or Territory, or in any place subject to the jurisdiction of the United States, conspire to overthrow, put down, or to destroy by force the Government of the United States, or to levy war against them, or to oppose by force the authority thereof, or by force to prevent, hinder, or delay the execution of any law of the United States, or by force to seize, take, or possess any property of the United States contrary to the authority thereof, they shall each be fined under this title or imprisoned not more than twenty years, or both. (June 25, 1948, ch. 645, 62 Stat. 808; July 24, 1956, ch. 678, §?1, 70 Stat. 623; Pub. L. 103–322, title XXXIII, §?330016(1)(N), Sept. 13, 1994, 108 Stat. 2148.)

160 “The National Lawyers Guild is the' foremost legal bulwark of the
Communist Party; its' front organizations,' and controlled unions. Since its
inception it has never failed to rally to the legal defense of the Communist
Party and individual members thereof, including known espionage agents. It
has consistently fought against national, State, and local legislation aimed at
165 curbing the Communist conspiracy. It has been most articulate in its attacks
upon all agencies of the Government seeking to expose or prosecute the
subversive activities of the Communist network, including national, State,
and local investigative committees, the Department of Justice, the FBI and
law enforcement agencies generally. Through Its affiliation With the
International Association of Democratic Lawyers, an international
170 Communist-front organization, the National Lawyers Guild has constituted
itself an agent of a foreign principal hostile to the interests of the United
States. It has gone far afield to oppose the foreign policies of the United
States, in line with the current line of the Soviet Union.”

175 The National Lawyers Guild is the nation’s oldest and largest progressive BAR
association, a communist organization hell-bent on the destruction of our Constitutional
Republic via progressive reform of our founding documents. The BAR has seized
control of our government at every level through the Deep State; whereas, no decision is
made, no law is passed and no issue is resolved without the seditious BAR orchestrated
legislation intended to regulate our Liberties and eventually abolish them; a necessity
180 for their NWO.

The BAR has convinced the populous that the United States is a democracy which is a
stepping-stone to totalitarianism and that by orchestrating popular demand through fear
is then able to legislate statutes that abrogate the unalienable rights of the Sovereign
People. Democracy and totalitarianism are types of governments that offer different
185 ways of making decisions on behalf of the people they govern. They share some
similarities and at the end of the day yield the same results. While one focuses on
oppression, the other embraces the differences of the people until lurking egotistical
tyrants seize control and over-time convince the sheeple to vote away their liberties as it
morph’s into totalitarian, as John Adams commented: “*democracy never lasts long it
190 soon wastes, exhausts, and murders itself.*” Article IV, Section 4, declares: "The United
States shall guarantee to every State in this Union a Republican Form of Government."
Not a Democratic Form of Government!

195 Today out of a total of 435 U.S. Representatives and 100 Senators (535 total in Congress), lawyers comprise the biggest voting block of one type, making up 43% of Congress. Sixty percent of the U.S. Senate is lawyers. And according to the Washingtonian there are 80,000 lawyers working in Washington DC alone.

200 With all these NWO minions nibbling at every legislated word and judicial meaning, they turned our Courts of Justice in to courts of thieves. They send out swarms of police that operate as code enforcement officers. They fine or imprison people for behavior that they deem a crime or for not having a license to exercise our unalienable rights. They tax our homes, our labor and even in death they tax our children's inheritance. They ignore our Laws, they changed our unalienable rights to civil rights via the repugnant 14th Amendment and they changed our Common Law to legislative law. They stack and taint our juries, they removed the knowledge of our Sacred Foundation from our education, they claim government by consent is the ballot box, they expanded their jurisdictions and powers. They removed our power to recall, they imprison us in statutory prisons to control the will of the People and they robbed our states of their sovereignty and subjected them to the will of the federal government via the repugnant 17th Amendment. They enslaved the People treating them as chattel and created debtors prisons via the repugnant 16th Amendment. They removed the 13th Amendment and replaced it with another. All of this was possible because the People are ignorant of the most important issues that provide for their liberty and destiny! The justice system and the political system! as the BAR covertly dismantle our Republic.

215 Thomas Jefferson said, *"An enlightened citizenry is indispensable for the proper functioning of a republic. Self-government is not possible unless the citizens are educated sufficiently to enable them to exercise oversight. It is therefore imperative that the nation see to it that a suitable education be provided for all its citizens."* As long as government controls our children's curriculum, we will never have that suitable education.

220 *"The two enemies of the people are criminals and government, so let us tie the second down with the chains of the Constitution so the second will not become the legalized version of the first."* – Thomas Jefferson, and so it has!

"Government is like fire, a dangerous servant and a fearful master." – George Washington

225 Our founding fathers understood that the biggest obstacle to freedom was the tendency
of all governments to grow, absorbing power unto themselves. And only the People can
take it away from them.

230 *"I know no safe depositary of the ultimate powers of the society but the
people themselves; and if we think them not enlightened enough to exercise
their control with a wholesome discretion, the remedy is not to take it from
them, but to inform their discretion by education. This is the true corrective
of abuses of constitutional power."* – Thomas Jefferson

THE SYSTEMATIC DESTRUCTION OF AMERICA

235 By enemies both foreign and domestic

- On August 21, 1878, seventy-five lawyers from twenty states and the District of Columbia met in Saratoga Springs, New York, to establish the American Bar Association. Since that first meeting, the American BAR Association (ABA) has played a pivotal role in the abrogation of common law in the United States.
- 240 • They removed the original 13th Amendment ratified in 1819 that prevented BAR members from holding an office of trust and replaced it with another in 1865.
- They abrogated our unalienable rights by changing them into civil rights calling them privileges and immunities, and placed people under civil law in 1868 through the 14th Amendment as they methodically and seditiously abrogated and concealed
- 245 our Natural law courts.
- They created a foreign state within a state within a city (*Washington DC*) through the Organic act of 1871 placing the United States under the control of foreigners via the deep state.
- They enslaved the People under the Federal Reserve Act which gave complete
- 250 control of the dollar to foreign bankers. Today the 1913 dollar is worth about 4 cents; thereby subjecting the People to debtor's prison in 1913 by taxing their income through the "unratified" and anti-constitutional 16th Amendment.
- They removed the states right of suffrage via the Senate in 1913, thereby enslaving the states through the "unratified" and anti-constitutional 17th Amendment.
- 255 • In 1944 at the Bretton Woods Agreement Conference, the United States totally surrendered its sovereignty to the banking forces by forcing the nations of the world to accept the dictates of the centralized banking system.

- The International Organizations Immunities Act enacted in 1945 relinquished every public office of the United States to the United Nations and established a special group of foreign or international organizations whose members could work in the U.S. and enjoy certain exemptions from US taxes and search and seizure laws.
- In 1947, NSA and CIA became operational and marked the birth of the national police state surveillance grid. Today, the CIA is a private corporation which operates as a prostitute for global banking interests and does not represent the United States.
- In 1948, the creation of the United Nations on American soil marked the beginning of the end of political sovereignty in the United States. John Kerry, without the approval of the Senate signed the United Nations Arms Treaty which will soon eliminate the 2nd Amendment and private property will be eliminated in America through the United Nation's Agenda 21 program that is spreading across America.
- In 1950, the 81st Congress Investigated the Lawyers Guild and determined that the BAR. Association was founded and run by communists. Thus any elected official that is a member of the BAR. will only be loyal to the BAR. and not the people. (See 81st Congress Report No. 3123).
- Since at least 1960, Americans have been conditioned to ignore the encroachment of tyranny through television and the subsequent propagandizing of this medium of communication.
- In 1962, prayer was outlawed in the classroom which marked the beginning of moral decay in America.
- In 1968, the United States became a nation that imported more than it exported as Congress regulated and taxed corporations forcing them to relocate overseas and today we have a mere 14% left of what was once our proud American manufacturing base.
- On September 11, 2001, the national police state surveillance grid reached maturity. This event created, under the guise of national security, the Department of Homeland Security, TSA and FEMA which during a national emergency controls every resource, every asset and even our freedom. It also created the Patriot Act and now today virtually every communication that we engage in is monitored.
- They have flooded our courts with nearly 150 years of repugnant acts, statutes and rules.
- Title 8 USC 1481, 1952; effective in 2012 declaring patriots willing to defend the Constitution to be terrorists and thereby the loss of nationality by native-born or naturalized citizenship.

- Title 28 USC 3002 Section 15A in 1990; States that the United States is a Federal Corporation and not a Government, including the Judiciary Procedural Section. The de jure states in the form of Republics and the de jure United States were incorporated, or set aside by the Bankruptcy Act of 1933.
- Patriot act, 2001.
- Homeland Security Act, 2002.

300 All of the aforesaid destructive acts were possible because People were not paying attention to what their government was doing and because of their ignorance of Law and Liberty. *“The only remedy to lawlessness is the Law.”*⁸ Therefore, We the People have the power to nullify all these unconstitutional repugnant acts simply through self-education and taking control of the judiciary via the Jury.

305 In 1961, President John F. Kennedy, said this concerning this communist conspiracy, *“We are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence; on infiltration instead of invasion; on subversion instead of elections; on intimidation instead of free choice; on guerrillas by night instead of armies by day. It is a system which has conscripted vast human and material resources into the building of a tightly-knit, highly-efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations. Its preparations are concealed, not published; its mistakes are buried, not headlined; its dissenters are silenced, not praised. No expenditure is questioned; no rumor is printed; no secret is revealed. It conducts the Cold War in short, with a war-time discipline no democracy would ever hope or wish to match... there is very grave danger that an announced need for increased security will be seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment.”*

320 The ABA has systematically infiltrated our federal and state legislatures and courts and through an overwhelming army of oblivious, non-thinking highly trained in the art of legalese attorneys⁹ and self-righteous overconfidence in the lie they spent \$212,707¹⁰ to receive the falsely called title, lawyer and BAR honor esquire.

⁸ Brent Winters, author

⁹ **Incomprehensible statutes** to one of ordinary understanding or knowledge.

¹⁰ **The average cost of law school** for a graduate of the top twenty law schools in the country comes out to be \$136,707 plus their undergraduate degree of \$76,000 to be a final total of \$212,707.

325 These lawyers confuse the common people with their mumbo-jumbo¹¹ and irrelevant
arguments, they have flooded our courts with nearly 150 years of repugnant acts,
statutes and rules recapping the aforesaid such as the Organic act, 1871; Federal
Reserve, 1913; 16th Amendment, 1913; 17th Amendment, 1913; 49 Statute 3097 Treaty
Series 881, 1933; International Organization Immunities Act, 1945; Title 8 USC 1481,
1952; Title 26 the Internal Revenue Code, 1954; Title 28 USC 3002 Section 15A; Title
28 USC 1608; Title 22 CFR 93.1-93.2; Title 28 USC 1330; Patriot act, 2001 and
330 Homeland Security Act, 2002 to recap just a few seditious acts of congress that are
exercised in our courts daily along with the elusive Federal Rules that when harmonized
accomplishes the seizing of our Article III Courts, delivering We the People to
jurisdictions unknown.

335 *"Common sense is the foundation of all authorities, of the laws themselves,
and of their construction." – Thomas Jefferson: Batture at New Orleans,
1812. ME 18:92. "Laws are made for men of ordinary understanding and
should, therefore, be construed by the ordinary rules of common sense.
Their meaning is not to be sought for in metaphysical subtleties which may
make anything mean everything or nothing at pleasure." – Thomas
Jefferson to William Johnson, 1823. ME 15:450*

340 The ABA willfully advocates, abets, advises and teaches¹² repugnant statutes as law
designed to enslave the People and overthrow federal and state governments.

¹¹ **Mumbo-jumbo:** Language or ritual causing, or intending to cause, confusion.

¹² **18 U.S. Code § 2385 - Advocating overthrow of Government:** Whoever knowingly or willfully advocates, abets, advises, or teaches the duty, necessity, desirability, or propriety of overthrowing or destroying the government of the United States or the government of any State, Territory, District or Possession thereof, or the government of any political subdivision therein, by force or violence, or by the assassination of any officer of any such government; or Whoever, with intent to cause the overthrow or destruction of any such government, prints, publishes, edits, issues, circulates, sells, distributes, or publicly displays any written or printed matter advocating, advising, or teaching the duty, necessity, desirability, or propriety of overthrowing or destroying any government in the United States by force or violence, or attempts to do so; or Whoever organizes or helps or attempts to organize any society, group, or assembly of persons who teach, advocate, or encourage the overthrow or destruction of any such government by force or violence; or becomes or is a member of, or affiliates with, any such society, group, or assembly of persons, knowing the purposes thereof - Shall be fined under this title or imprisoned not more than twenty years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years next following his conviction. If two or more persons conspire to commit any offense named in this section, each shall be fined under this title or imprisoned not more than twenty years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years next following his conviction. As used in this section, the terms "organizes" and "organize", with respect to any society, group, or assembly of persons, include the recruiting of new members, the forming of new units, and the regrouping or expansion of existing clubs, classes, and other units of such society, group, or assembly of persons. (June 25, 1948, ch. 645, 62 Stat. 808; July 24, 1956, ch. 678, §2, 70 Stat. 623; Pub. L. 87-486, June 19, 1962, 76 Stat. 103; Pub. L. 103-322, title XXXIII, §330016(1)(N), Sept. 13, 1994, 108 Stat. 2148.)

345 If we become the lawful People that we covenanted with God to be through our founding documents, God will provide safety. He did so for Israel for 400 years until they replaced the King of their court with a man named Saul. And our hired servants without our permission have done the same.

350 *“Ye shall not therefore oppress one another; but thou shalt fear thy God: for I am the LORD your God. Wherefore ye shall do my statutes, and keep my judgments, and do them; and ye shall dwell in the land in safety. And the land shall yield her fruit, and ye shall eat your fill, and dwell therein in safety.”* – Lev 25:17-19

355 **RIGHTS ARE UNALIENABLE** and thereby not transferable. Therefore, no elected or appointed servant can decide for the People to exchange liberty for security. The providing of security by a government starts at the border and not the threshold of our private communications and activities. Once we logically deduce and thereby allow our servant government to erode just a little bit of our God given rights; they will logically eventually take it all. And it appears that they already have!

"Those who would give up essential Liberty, to purchase a little temporary Safety, deserve neither Liberty nor Safety." – Benjamin Franklin

- 360 • Amendment I – the government has already created “free speech zones”, banned religious expressions on holy days such as Xmas, and denial of redress of grievances all for our own safety of course.
- 365 • Amendment II – they have licensed our right to bear arms, for our own safety of course. They have sent our Militia, necessary to the security of a free State, out of our country, while in 2017 we already have a standing army of 479,000, all for our own safety of course.
- 370 • Amendment IV – Patriot act, warrantless searches, spying on our every written and spoken word, cell phone activation even without a battery, all for our own safety of course.
- 375 • Amendment V – Charges of crimes without a grand jury or by a puppet grand jury, non-judicial foreclosures, summary proceedings in criminal cases, puppet juries, refusal of Habeas Corpus, refusal of due process, property seizures in rem, refusal of Assistance of Counsel for defense unless it is a BAR approved and BAR cooperative attorney who has been taught to leave the constitution at the entrance of the court-house, twice in jeopardy with a judge declared hung jury, prosecutors over ruling grand juries, statutory courts instead of courts of justice, trials in jurisdictions

unknown, in short constitution and bible free court rooms all for our own safety of course.

- 380 • Amendment VI – prosecution against those who exercise jury nullification, profiled juries, puppet juries, judges overturning jury decisions, tainted juries, all for our own safety of course.
- Amendment VII – denial of Common law courts also demanded under Article VI clause 2 a/k/a the Supremacy Clause, all for our own safety of course.
- 385 • Amendment VIII - cruel and unusual punishment such as diesel therapy, chained to a floor in a cell and unable to reach toilets, cold cells without pillow and blankets, solitary confinement, political prisons, removal of meds especially to elderly prisoners, beat downs, no access to law libraries for political prisoners, and so on and so on and so on ..., all for our own safety of course.

The EROSION OF OUR LIBERTIES MUST STOP. What good is a Republic when our Constitution is ignored!

390 “Any judge who does not comply with his oath to the Constitution of the United States wars against that Constitution and engages in acts in violation of the supreme law of the land. The judge is engaged in acts of treason.” – Cooper v. Aaron, 358 U.S. 1, 78 S. Ct. 1401 (1958).

395 18 U.S. Code § 2382 – Misprision of treason: *Whoever, owing allegiance to the United States and having knowledge of the commission of any treason against them, conceals and does not, as soon as may be, disclose and make known the same to the President or to some judge of the United States, or to the governor or to some judge or justice of a particular State, is guilty of misprision of treason and shall be fined under this title or imprisoned not*
400 *more than seven years, or both.* (June 25, 1948, ch. 645, 62 Stat. 807; Pub. L. 103–322, title XXXIII, §330016(1)(H), Sept. 13, 1994, 108 Stat. 2147.)

405 **CONCLUSION:** BAR esquires have infiltrated every level of government it is near impossible to communicate with any of our government servants without finding ourselves blocked by an army of BAR attorney. And when we seek redress in our BAR hijacked courts we are cast out of the Peoples once known house of Justice under the repugnant “RULE” 12.

BAR esquires have written deceptive “RULES” they exercise as law under the guise of USC Title 28. BAR esquires under USC Title 28 covertly expunged all traces of our Courts of Law, leaving the People weary to find the door to Justice. BAR esquires

410 replaced Common Law, a/k/a Natural Law with Roman law, a/k/a Justinian law that has its roots in Babylonian law, turning our house of Justice into a den of thieves as they serve their foreign bangsters.

God will not let a corrupt government that has robbed His house rule forever.¹³ God judges justly on the earth and punishes lawless leaders and nations.¹⁴ Nations which
415 forget God may completely perish.¹⁵ Nations which honor God and try to follow his laws, however, can expect to receive his care and protection.¹⁶ God has heard our prayer and has risen up a Cyrus that will drain the Washington Swamp and We the People will take back His house and bring all that resist to his Judgment seat.
