

Bill of Information

A Grand Jury for Dixie County, Florida was chosen in 2014, whereby Terry G. Trussell was appointed as Foreman of the Jury.

On Friday, August 1, 2014, a selected Grand Jury for Dixie County was called together to address a criminal issue which was reported to the Grand Jury Foreman in Dixie County.

The Foreman demanded that a packet of crucial information be sent to all the Jurors to prepare them for the issue before the Jury.

State Attorney Jeffery Siegmeister failed to send the information packet as requested out to the Jurors.

State Attorney Jeffery Siegmeister, then caused and did corrupt the Grand Jury for Dixie County, Florida by calling them.

State Attorney Jeffery Siegmeister then informed the Grand Jury Foreman that he had called all of the Jurors to 'prepare' them for the meeting. The Criminal nature of the events by State Attorney Jeffery Siegmeister as they happened are as Follows.

1. Criminal Contempt of Due Process of Law.
2. Obstruction of Justice, and coercion or manipulation of others to do the same.
3. Jury Tampering
4. Contempt of Court.
5. Deprivation of Rights.ewdt234w
6. Subversion. (Undermining the Grand Jury Process)
7. Instructing others to obstruct justice as well. (Dixie County Court Clerk)
8. Misprision of Felony.
9. Falsely advising a public officer. (Dixie County Court Clerk)
10. Blocking the Grand Jury Foreman access to the Grand Jury panel, (Names and phone numbers.)
11. Undermining the integrity of the Foreman for the Dixie County Grand Jury.

In violation of the United State Constitution, the Supreme Court's edict in U.S. v. Williams, and our Grand Jury instructions. The State Attorney Jeff Siegmeister, in direct violation of the Statutes, did do the following:

1. Denied the Grand Jury Foreman the requirement to choose the Officers for the Grand Jury.
2. Unlawfully advised the Dixie County Court Clerk on information which is required to be accessible to the Grand Foreman.
3. Denied funds for necessary investigations.
4. Denied the Foreman the list of names of the jurors originally chosen.
5. Arranged the seating of the jury as if it was a petit jury, causing the jury to believe that he is the authority.
6. Influenced and prompted the Jurors by rolling his eyes, making hand gestures, thereby undermining the Office of the Foreman, and independence of the Grand Jury from the other branches of Government.
7. Caused the jurors to refer to him for comment and opinion on every statement made.

8. Made remarks against the Grand Jury Foreman with calumnious intent.
9. Blocked access to other County Grand Jury Foremen about crimes in their jurisdiction.
10. Tainted the Dixie County Grand Jury, therefore permanently corrupting it.
11. Denied critical information to the jurors, necessary for the proper comprehension of the subject.
12. Held himself out as an expert witness by testifying before the Grand Jury instead of simply responding to specific inquiries.

CIRCUMSTANCES NOW DEMAND

I am confident that this court is woefully unprepared to support a proper Grand Jury Process, because:

- There is no way for the People to benefit from their own Grand Jury. The existence of the Grand Jury is essentially hidden from the general public, and access is denied except through the filter of the judiciary.
- As structured under Florida State Statute, contrary to the Constitution, the State Attorney, County Judge, as well as the Circuit Court Judge unlawfully control every aspect of the Jury's operation, thereby controlling the outcome.
- The true function and practice of the Grand Jury in Dixie County is not served by the Court nor the Court Clerk's office, and is subjugated to the capricious, pervicacious and prejudicial control by State Attorney Jeffery Siegmeister.
- The People are ill-served and abused by the subversion of this Grand Jury system.
- Without a complete reversion to the original role, intent, independence and process of the Grand Jury (per U.S. v. Williams) the liberty, and safety of the People of Dixie County are imperiled.

Therefore, as the Grand Jury Foreman, I, Terry G. Trussell, have no confidence in the Grand Jury Process under these rules and as corrupted by State Attorney, Jeffery Siegmeister.

I, Terry Trussell, therefore declare this Grand Jury in Dixie County, Florida un-lawful, Null and Void ab initio. Nothing has been done by the State Attorney Jeffery Siegmeister which complies to the Grand Jury Process as is demanded by the 5th nor 7th Amendment to the U.S. Constitution nor the explanation of Justice Scalia in U.S. v. Williams.
