

THE ALAN PARSONS PROJECT

Days Are Numbers - "The Traveler"

*The traveler is always leaving town
He never has the time to turn around
And if the road he's taken "Isn't leading anywhere"
He seems to be completely unaware*

*The traveler is always leaving home
The only kind of life he's ever known
When every moment seems to be
A race against the time
There's always one more mountain left to climb*

*Days are numbers
Watch the stars
We can only see so far
Someday, "You'll know where you are"*

*"Remember"
Days are numbers
Count the stars
We can only go so far
One day, "You'll know where you are"*

*The traveler awaits the morning tide
He doesn't know what's on the other side
But something deep inside of him
Keeps telling him to go
"He hasn't found a reason to say no"*

*The traveler is only passing through
He cannot understand your point of view
Abandoning reality, unsure of what he'll find
The traveler in Me is close behind*

*Days are numbers
Watch the stars
We can only see so far
Someday, "You'll know where you are"*

*"Remember"
Days are numbers
Count the stars
We can only go so far
One day, you'll know where you are*
