

I'M NOT AFRAID

Roger Hodgson (Supertramp) – From the Album Eye of the Storm

*Oh what a way to go, we're goin' down slow
We're movin' to the rhythm, we're letting it flow
We're steppin' out of time, it's freaking your mind
We're livin' in the body, and we're doin' just fine*

Chorus:

*Tell me, tell me that you love me
Tell me, where's your milk and honey
You know we're doin' alright
Well round and round we go, we're goin' down slow
We're shakin' to the rhythm, we're letting it flow
We're not afraid of time, it imprisons your mind
We're livin' in the body, and we're doin' just fine*

Repeat Chorus Twice

*I'm not afraid of nothing, I'm not afraid to cry
I'm not afraid to live, I'm not afraid to love, I'm not afraid to die
I'm not afraid of laughter, I'm not afraid of tears
I'm not afraid to look, I'm not afraid to learn, I'm not afraid to hear
I'm not afraid of darkness, I'm not afraid of night
I'm not afraid to win, I'm not afraid to lose, I'm not afraid to fight
I'm not afraid of anger, I'm not afraid of war
I'm not afraid to live, I'm not afraid to die, I'm not afraid at all
'Cause it's a time for singing, and it's a time to dance
And it's a time to run, and it's a time to jump, and it's a time to chance
And it's a time for giving, and it's a time to share
And it's a time to choose, and it's a time to do, and it's a time to dare!*
