## **Introduction**

We have been expecting you. Glad you made it. Hopefully someone will be calling you shortly to introduce you to National Liberty Alliance and what it is that we do here. We are a nation-wide non-political affiliation and present in all 50 states. We are foremost Educational Facilitators.

Our goals, though many and varied are all related to one another by the law of our Land. We seek to return our Sheriffs to Constitutional Sheriffs; our Courts to Common Law Courts of Record; our political structure to that of a Republic as it was designed; to furnish the committeemen and statesmen necessary to rebuild our Republic; to furnish all 3133 counties and parishes with the four Grand Jury Administrators required to keep our courts faithful and in abidance to the law of the land; and lastly, return our neighborhoods and the places we frequent, be they business, church, school or play, to safe places under the watchful care and nurturing of a nationwide Neighborhood Watch.

While these six lofty goals seem a bit out of reach just now, shortly you will come to realize that all are obtainable. We are now into our 5<sup>th</sup> year as of April 2017. Only We the People can save America. We hope that our goals are your goals and that you will stay around long enough to pursue them with us. 2017 will be a game changer for America.

*"Today we need a nation of minute men; citizens who are not only prepared to take up arms, but citizens who regard the preservation of freedom as a basic purpose of their daily life and who are willing to consciously work and sacrifice for that freedom."* - **President JFK, 1963**

*"Tyranny, like hell, is not easily conquered; yet we have this consolation with us, that the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem to lightly: 'tis dearness only that gives everything its value. Heaven knows how to put a proper price upon its goods; and it would be strange indeed, if so celestial an article as FREEDOM should not be highly rated."* Thomas Paine, Crises I, December 23, 1776.

We have a Nationwide Conference Call every Monday at 9 PM EST. Click on the **Weekly Call** above the Blue banner at the top of the page – left side, and follow the directions. Please join us.

Replays of past calls are on that same **Weekly Call** link. If you have issues with the courts, scroll down the page and listen to a Call we had May 15, 2017...listen to the first two hours of very informative events in our world, which will provide insight to your court issues. Look for 17-05-15 and click there.

Before going to the next chapter, watch the video - - **A PLAN TO RESTORE THE REPUBLIC** (Karl to provide link under Welcome Committee Home Page **Introduction** in addition to under COS tab). Backing out of link should put them back on this Introduction page, NOT on COS.
