WE ARE NOT PART OF THE SOVEREIGN CITIZENS MOVEMENT. We do not endorse or entertain the fiction such as bills of exchange, redeeming and/or discharging through trust accounts; nor do we involve ourselves with contracts, commercial liens and the exchanging of an oath of office for a value. We do not encourage or teach people to write declarations, drive without driver's licenses, revoke their voter's application, revoke their birth certificate or their social security numbers. We do not support self-appointed judges and international courts. The power of the Grand Jury is to write true bills of indictment, true bills of presentment, true bills of information and file them in Article III Courts and other Constitutional courts.
