Hospital and Health Advocacy:

• Bill Negotiator

A dedicated Patient Advocate works directly with a member's health-care provider to help reduce their out-of-pocket portion of medical bills. To be eligible for Bill Negotiator, you must be an active member of AmeriPlan and your out-of-pocket balance from such medical services must exceed \$2500

• Surgery Saver

Surgery cost can vary greatly from facility to facility, and in our experience, we have seen a 66% cost difference for the same surgical procedure with no appreciable difference in quality. A dedicated Advisor shops up to five surgical facilities to verify the best available price, quality and availability for non-emergence procedures, as well as physician privilege verification

• Healthcare Navigator

AMERIPLAN PROGRAMS ARE NOT INSURANCE

DISCLOSURES TO CONSUMERS:

These discount medical plans are NOT health insurance or a MediCare Prescription Drug Plan. Membership in these programs entitles you to discounts for certain medical services and prescription drugs by providers who have agreed to participate in these discount programs. These programs do NOT make payments directly to the providers of medical services and prescription drugs. The programs' members are obligated to pay for all healthcare services, but will receive a discount from those healthcare providers who have contracted with these discount programs. The name, address and specialty of the discount medical and prescription drug program providers in your service area are available before purchase and upon request by logging on to www.ameriplanusaprovidersearch.com or call the AmeriPlan® Consumer Information Center at 1-800-647-8421. That the range of discounts for medical or ancillary services provided under the plan will vary depending on the type of provider and medical or ancillary service received.

The average savings on the most utilized provider procedures stated in this brochure are only a sample from the discount fee schedule that each AmeriPlan® provider has agreed to honor for members. The discounts represent a reduction on a treatment or percentage basis of the usual and customary fees charged by the providers for a specific treatment.

AmeriPlan® confirms that its medical, dental, vision, chiropractic and pharmacy providers are professionally licensed in your state, but does not guarantee the quality of the services or products. Quality of care complaints should be addressed to the appropriate licensing agency in your state. If you are not sure whom to call regarding quality of care complaints, contact the Consumer Information Center at 1-800-647-8421.
