INTERVIEWING CANDIDATES

Give candidates a copy of this PDF.

Potential candidates have no knowledge of the Constitution and once in office they are met by and indoctrinated (brain-washed) by two destructive forces, the “American BAR Association” (ABA) and the “Two Political Parties.” Once these People are in office they are assimilated into the party [Borg] mind-set, corrupted by “special interests bribes” and can no longer hear the People as they continue down the political party path to destroy our Republic unless the People step up and take control through “Committees of Safety.” To understand how destructive the BAR and parties truly are, read and require potential candidates to read the following papers:

- 1) “Political Parties are Truly Our Worst Enemy and how the founding fathers feared political factions would tear the nation apart! (*attached*)
- 2) The ABA must be disbanded for Treason! (*attached*)
- 3) We the People are sovereign. (*attached*)
- 4) We are a Republic and not a Democracy. (*attached*)

Most People will say that we cannot abolish the two-party system and the ABA because they are too powerful and too deeply embedded into our political and judicial system. In today’s political environment this is true, but after “Devolution” plays out there will be a power vacuum and if “We the People” seize the opportunity we can return to “Government by Consent.” This will require at least one-half of US counties to develop Committees of Safety. For details on Devolution go to, www.nationallibertyalliance.org/devolution. And to learn how to start a Committee of Safety go to, www.nationallibertyalliance.org/peoplesduty

THE ABA CAN BE SHUT DOWN by simply enforcing the original 13th Amendment, written and passed by our founders in 1818, which reads as follows:

XIII Amendment, “*If any citizen of the United States shall accept, claim, receive, or retain any title of nobility or honour, ... from any emperor, king, prince, or foreign power, [BAR is a foreign] such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them,...*” Esquire is a “BAR title of honor” from the King (Queen) of Brittan. The purpose of the BAR was, and still is, to abrogate “Common Law!”

And, National Liberty Alliance will charge the American BAR in the federal court requiring their disbandment under the following U.S. Codes.

18 U.S. CODE § 2385 ADVOCATING OVERTHROW OF GOVERNMENT: Whoever, with intent to cause the overthrow or destruction the government of the United States or the government of any State, Territory, District or Possession thereof, or the government of any political subdivision therein, **prints, publishes, edits, issues, circulates, sells, distributes, or publicly displays any written or printed matter advocating, advising, or teaching** the duty, **necessity, desirability,** or **propriety** of **overthrowing** or **destroying** any **government** in the United States by force or violence, or attempts to do so; ... shall be fined under this title or imprisoned not more than twenty years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years next following his conviction. And,

18 U.S. CODE §2381 - TREASON: Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason and shall suffer death, or shall be imprisoned not less than five years and fined under this title but not less than \$10,000; and shall be incapable of holding any office under the United States.

WE CAN SHUT DOWN THE POLITICAL PARTIES by simply taking back political control from the statutory “*Committeeman Process*” by organizing Committee of Safety and thereby empowering the “*Free and Independent People.*” The political parties suffer from membership attrition because of party boss control and corruption. They cannot survive competition by “*Free and Independent Committeemen*” and in time will just erode away. COS committeemen have far more power and authority than statutory committeemen; They have the power to walk “*anyone’s designating petitions*” (party or no party) to put patriots on the ballot, they can recall any elected official, they can control our courts of Law, they can control local government, they can bring treason charges to the “*Free and Independent Grand Jury*” for potential indictments, they can take control of our children’s education requiring a classical education, civics, real American History and instruct them on their heritage and duty as a citizen, in short they can have “Government by Consent.” This is what they stole from us and today it is possible to take back our Republic! For more information and details on Committees of Safety go to, www.nationallibertyalliance.org/peoplesduty

With the aforesaid in mind and the realization that it would be extremely rare that anyone in office or running for office knows that we are a Republic not a democracy, that we are a common law nation, that parties are divisive and destructive to a common law republic, that our courts are unjust, that “BAR” attorneys are the minions of the new world order, that their authority is limited by the Constitution. They are completely ignorant of the Peoples sovereignty under our “Common Law Republic,” and it’s Common Law Constitution! Candidates must be instructed in these things, without which they will be educated by the BAR and political parties. Therefore, any potential candidate contacting your COS to request an interview should be sent to www.nationallibertyalliance.org/start-here to take the following courses, without which we should not support their candidacy.

- 1) **FOUNDATION STUDY** (*This study is an introduction to our Heritage*)
- 2) **INTRODUCTION TO THE CONSTITUTION COURSE** (*This course is an introduction to our Founding Documents*)
- 3) **CIVICS COURSE** (*This course is an introduction to American History and how we lost control*)
- 4) **GOVERNMENT BY CONSENT COURSE** (*This course prepares us for Government by Consent*)

From the time candidates request an interview and have the interview they may not be able to complete all the aforesaid courses, but a prerequisite to placing them on the ballot, by walking their designating petitions, they “*must*” complete the courses and request a certificate of completion from NLA to prove it before walking the candidate’s designating petition.

Require candidates to write a 500 word essay on why the People should support their candidacy and we will post it on www.NationalLibertyAlliance.org if the COS decides to support their candidacy. They should be able to articulate what they learned so far from the courses already taken. (suggested candidate’s time 5-10 min).

The COS County Chairman must require candidates contact information including phone number, fax, mailing address, and e-mail, which will be used to contact the candidate while in office concerning any violations that may need to be corrected.

Before opening for questions the following expectations of “*We the People*” need to be “*strongly impressed*” upon the candidate.

- 1) We the People are taking back our power of “*Government by Consent*” and we expect candidates to represent the People and not special interest groups or party positions.
- 2) If the candidate is a BAR member they must leave the BAR.
- 3) Once elected they must leave their party and designate themselves as “NO PARTY AFFILIATION” and vote their conscience.
- 4) As per the preamble to the Constitution ordained by “*We the Sovereign People*” all candidates’ political judgements must be just, insure domestic tranquility, promote the general welfare, and secure the blessings of liberty.
- 5) The following issues are divisive and “We the People” did not authorize under the Constitution for candidates to debate, abortion, planned parenthood, gay marriage, same sex marriage, gay adoption rights, anti-discrimination laws, gender identity, gender-change for minors, transgender athletes, free birth control, private prisons, climate change, foreign lobbying, common core national standards, property taxes, defunding the police, hate speech, critical race theory, required racial sensitivity training, forced vaccination on children, confederate flag on gov. property, businesses requirement of women on board of directors, women to serve in combat roles, euthanasia, drug policy, gun control, electoral college, removing references to God on money on federal buildings, and national monuments, etc.
- 6) Candidate must acknowledge and respect the sovereignty of the People.
- 7) Legislative law is “*equity*” not Law!
- 8) Freedom of Information Act requests (FOIA) should only be required when there may be a need for redacting sensitive information.
- 9) Under Article I Section 8 of the Constitution, which in principle applies to all state constitutions, no law can be made outside the eighteen powers granted in said article.
- 10) Any elected official who uses their political office to springboard a position to regulate or stifle our free speech, right to bear arms, right of redress of grievances, right to travel, right to court access without a fee, right to practice law (without a BAR license) or any other restrictions upon our Liberty “*wars*” against the People and may be subject to prosecution under 18 U.S. Code §2381 Treason.
- 11) If the candidates political position empowers them to appoint other officers it is the candidates responsibility to ensure that they too are properly educated before they take their oath.
- 12) If running for legislator we expect them to support the rewriting of the house rules which will allow all voices to be heard and issues to be voted upon without exception. The speaker of the house has no more say or authority than any other member. People rule not parties!
- 13) Agenda 21 is unconstitutional and is to be defeated.
- 14) The U.S. Food and Drug Administration are not doing their due diligence in protecting the American People. We have genetically modified organisms and various poisons such as high fructose corn syrup in our food, water and air. We expect all elected officials to rally around the banning of all these dangerous additives.

- 15) The U.S. Food and Drug Administration are in bed with big pharma. Most of their drugs are life threatening doing more damage than good. The FDA and big pharma has stifled and villainized chiropractic and natural holistic approach and medicine.
- 16) Accepting money from lobbyists is bribery and we will consider indictments.
- 17) The People's will is declared in our founding documents.
- 18) Legislators were never vested with authority to write any legislation that controls the behavior of the People.
- 19) The Declaration of Independence is a covenant with God and puts us under the "*Laws of nature's God.*"
- 20) The Constitution defines the powers vested to our representatives.
- 21) If you cannot find the authority in the Constitution to debate or discuss a particular issue you don't have the authority to raise the issue for debate. Any issue debated and voted on must show Constitutional authority via "*Article, section and paragraph.*"
- 22) Candidates must support "**Republic Review**" - www.nationallibertyalliance.org/republic-review
- 23) In interpreting the Constitution Thomas Jefferson said, "*On every question of construction (of the Constitution) let us carry ourselves back to the time when the Constitution was adopted, recollect the spirit of the debates, [Federalist & Anti-Federalist papers] and instead of trying what meaning may be squeezed out of the text, or invented against it, conform to the probable one in which it was passed.*"
- 24) "*THE Conventions of a number of the States, having at the time of their adopting the Constitution, **expressed a desire, in order to prevent misconstruction or abuse of its powers**, that further declaratory and restrictive clauses should be added: And as extending the ground of public confidence in the Government, will best ensure the beneficent ends of its institution.*" The Bill of Rights (Constitution) is the ruler by which all legislation is judged. Any legislation that is repugnant to our Liberty is null and void.

Final word, federal congressional districts often cover numerous counties and therefore the political committee will need to coordinate the interview with other committees of safety in other counties. The same is true for many state legislators because of gerrymandering, which also needs to be addressed.

We should not be interested in questioning these candidates as to what positions they may take on the endless list of divisive subjects instead we should make it clear that these subjects are not their concern and are not to be publically debated.

NLA will bring the U.S. Supreme Court and the federal and state judiciary back under the chains of the Constitution via federal court case filings, but it will be the "*Jury Administrators*" supported by the county committee of safety that is to maintain binding them down with the chains of the Constitution.

Q&A: All questions should be framed not to suggest that they have the authority to debate certain issues in public that they have no authority to debate and vote on. For instance we don't care what the candidates thoughts are on divisive subjects like abortion, gay marriage, same sex marriage, gay adoption rights, anti-discrimination laws, gender identity, etc. It is more important that candidates understand that we will not tolerate bad behavior, for which we will "*recall.*"

POLITICAL PARTIES ARE TRULY OUR WORST ENEMY

The Founding Fathers Feared Political Factions Would Tear the Nation Apart!

JOHN ADAMS, letter to Jonathan Jackson, October 2, 1789, “There is nothing which I dread so much as a division of the Republic into two great parties, each arranged under its leader, and concerting measures in opposition to each other. This, in my humble apprehension, is to be dreaded as the greatest political evil under our Constitution.”

Thomas Jefferson letter to Francis Hopkinson, 1789, “I never submitted the whole system of my opinions to the creed of any party of men whatever in religion, in philosophy, in politics, or in anything else where I was capable of thinking for myself. Such an addiction is the last degradation of a free and moral agent. If I could not go to heaven but with a political party, I would decline to go.”

Thomas Paine, The Opposers of the Bank, 1787, “Party knows no impulse but spirit, no prize but victory. It is blind to truth, and hardened against conviction. It seeks to justify error by perseverance, and denies to its own mind the operation of its own judgment. A man under the tyranny of party spirit is the greatest slave upon the earth, for none but himself can deprive him of the freedom of thought.”

GEORGE WASHINGTON in his Farewell Address on 19th September 1796, said, “Political parties obstruct the execution of the laws with the real design to direct, control, counteract, or awe the regular deliberation and action of the constituted authorities.”

Political parties serve to organize division and thereby give an artificial and extraordinary force; to put in the place of the delegated will of the nation the will of a party.

Often a small but artful and enterprising minority make the public administration the mirror of the ill concerted and inappropriate projects of division, rather than the organ of consistent and wholesome plans digested by common councils and modified by mutual interests.

However combinations or associations of the above description may now and then answer popular ends political parties are likely, in the course of time and things, to become potent engines by which cunning, ambitious, and unprincipled men will be enabled to subvert the power of the people and to usurp for themselves the reins of government, destroying afterwards the very engines which have lifted them to unjust dominion.”

One method of assault may be to effect in the forms of the Constitution alterations which will impair the energy of the system and thus to undermine what cannot be directly overthrown.

I have already intimated to you the danger of parties in the state, with particular reference to the founding of them on geographical discriminations.

Let me now take a more comprehensive view and warn you in the most solemn manner against the exceedingly harmful effects of the spirit of party, generally. This spirit, unfortunately, is inseparable from our nature, having its root in the strongest passions of the human mind. It exists under different shapes in all governments, more or less stifled, controlled, or repressed; but in those of the popular form it is seen in its greatest rankness and is truly our worst enemy.

*The alternate domination of one faction over another, **sharpened by the spirit of revenge natural to party dissension**, which in different ages and countries has perpetrated the most horrid atrocities, **is itself a frightful despotism**.*

*But this leads at length to a more formal and permanent despotism. The disorders and miseries which result gradually **incline the minds of men to seek security and repose in the absolute power of an individual**; and sooner or later the chief of some prevailing faction, more able or more fortunate than his competitors, **turns this disposition to the purposes of his own elevation on the ruins of public liberty**.*

*The common and continual mischief's of the spirit of party ... serves always to **distract the public councils** and **enfeeble the public administration**. It agitates the community with **ill-founded jealousies** and **false alarms**, **kindles the animosity of one part against another**, and **foments occasionally riot and insurrection**. It **opens the door to foreign influence and corruption**, which find a facilitated access to the government itself through the channels of party passions. **Thus the policy and the will of one country are subjected to the policy and will of another.**"*

Under Article I section 8 “*We the People Vested Congress*” with 18 powers of which they may have open debates about and write legislation. The following is a list of inappropriate political debates, found at www.ISideWith.com that Congress has no authority to debate and write law on, some of which is treasonous, divisive and the ruin of public liberty.

THE ABA MUST BE DISBANDED FOR TREASON!

The American BAR Association has seized control of our government at every level with the aid of the Deep State; Whereas, no decision is made, no law is passed and no issue is resolved without the seditious BAR orchestrated legislation and control of our courts, via the requiring of a law license intended to regulate our Liberties and eventually abolish them and the calling and stacking grand and petit juries; all a necessity for their NWO.

1750 THE BRITISH BAR was established in the colonies to abrogate the Common Law and suppress the beginning of the American rebellion steered by Benjamin Franklin.

1819 THE ORIGINAL RATIFIED 13TH AMENDMENT that prevented BAR members from holding an office of trust was removed by the ABA controlled Congress and replaced with another sometime before 1865.

XIII Amendment, *“If any citizen of the United States shall accept, claim, receive, or retain any title of nobility or honour, ... from any emperor, king, prince, or foreign power, such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them,...*” Esquire is a “title of honor.”

1822 TREATY OF VERONA – The British Monarch and Pope secretly agree to undermine the American System of government via the Treaty of Verona. The British Monarch breaches the Treaty of Ghent and both the Pope and the King secretly breach their trust as International Trustees. They set out on a covert action and issued Letters of Marque and Reprisal to the members of the Bar Associations, allowing them to act as Foreign Agents on American soil and as privateers free to plunder American commerce.

1871 ORGANIC ACT OF 1871 – The BAR controlled Forty-first Congress, under Section 34, Session III, chapters 61 and 62, created a foreign government (state) within a state within a city forming a **corporation** called the UNITED STATES Inc., owned by foreign interests, moved in and shoved the original Constitution into a dustbin. 28 USC §3002 Definitions (15) “United States” means (A) a Federal corporation; In 1871 in an act of high treason, the 41st Congress acted without constitutional authority, an act of fraud, conspiracy and subversion against the United States of America attempting to depose our covenant with our Creator and thereby establishing a totalitarian government unaccountable to We the Sovereign People, under foreign control, behind which the conspiratorial erosion of our Constitution began. This transformed our Unalienable Rights to civil rights, our Republic to a democracy, the United States to a corporation, and the Laws of Nature’s God to civil and criminal laws which have their roots in Babylon. This placed the United States under fiction of law and as long as the People believe the fiction to be law, it is!

1878 SEVENTY-FIVE LAWYERS ESTABLISH ABA – The American Bar Association (ABA) was founded on August 21, 1878. In an act of high treason, 100 BAR lawyers from twenty-one states and the District of Columbia met in Saratoga Springs, New York, to establish the American Bar Association, the minions of the “*new order of the ages*.” Since that first meeting, the ABA continued the work of the British BAR working in the shadows infiltrating our government, our courts, our churches, our institutions, our medical services, our educational system, and our media; demoralizing our children all in an effort to expunge our common law and replace it with civil law a/k/a Babylonian law, Justinian law, or Roman Law.

THE ABA SCHOOLS, in an act of treason, teach that “In law,” common law is the body of law derived from judicial decisions of courts and similar tribunals, claiming that the defining characteristic of “common law” is that it arises as precedent.

Whereas Common Law is “NOT” precedent or legislated law, where one size fits all, it is NOT civil law. Common Law a/k/a Natural Law is governed by “maxims,” written in the heart. As we read in Romans 2:14-15, *“For when the Gentiles, which have not the law, do by nature the things contained in the law, these, having not the law, are a law unto themselves: Which show the work of the law written in their hearts, their conscience also bearing witness, and their thoughts the mean while accusing or else excusing one another;”*

The Federal Rules of Civil Procedure govern civil procedure in United States district courts. The FRCP are promulgated by the United States Supreme Court pursuant to the 1934 Rules Enabling Act in an act of treason exploiting the “Rules Enabling Act,” by enacting treasonous uniform rules of procedure for the federal courts.

1910 CONSPIRACY AT JEKYLL ISLAND – in an act of high treason, six men – Nelson Aldrich, Abram Andrew, Henry Davison, Arthur Shelton, Frank Vanderlip and Paul Warburg – met at the Jekyll Island Club, off the coast of Georgia, to write a plan to reform the nation’s banking system. The meeting and its purpose were closely guarded secrets, and participants did not admit that the meeting occurred until the 1930s. But, the plan written on Jekyll Island laid a foundation for what would eventually be the Federal Reserve System, created by the ABA controlled Congress.

1913 FEDERAL RESERVE ACT – The ABA controlled Congress passed the unconstitutional Federal Reserve Banking Act of 1913 that gave control of America’s economy to a private corporation owned by foreign bankers who answer to no one and regulate the value of worthless notes of debt called the dollar, robbed We the People of our gold and bankrupted America. A conspiracy among Paul Warburg, Edward Mandell House, Woodrow Wilson, J.P. Morgan, Benjamin Strong, Otto Kahn, the Rockefeller family, the Rothschild family, and other European and American bankers which resulted in the founding of the U.S. Federal Reserve System which resulted in a takeover of the US economy, on behalf of the oligarchs. The Federal Reserve Act of 1913 defies Article 1, Section 8, Paragraph 5 of the United States Constitution by creating a “central bank of issue” for the United States. World War I, the Agricultural Depression of 1920, the Great Depression of 1929 were brought about by international banking interests in order to profit from conflict and economic instability.

1922 BAR ATTEMPT TO ABOLISH GRAND JURIES – In March 1922, in an act of high treason, the New York County Association of the Criminal BAR announced that it planned a vigorous state wide campaign to abolish the Grand Jury institution. Former district attorney Robert Elder called upon public prosecutors to take the initiative in replacing the “inefficiency, ignorance and traditional bias” of grand jurors, and Judge Thomas Crain of New York supported the movement. Testifying before the Committee of Law Enforcement of the American Bar Association, he observed that “a judge or some other man learned in statutes should participate in grand jury hearings.” In Minnesota, attorney Paul J. Thompson urged his state to adopt the Wisconsin system of prosecution upon the order of a district attorney. In 1922 Judge Roscoe Pound and Felix Frankfurter conducted a survey of criminal justice in Cleveland and added the weight of expert testimony to those who sought to eliminate the use of grand juries. Pound and Frankfurter

reported that juries were inefficient and unnecessary, since trial courts (politically driven men) were quite capable of protecting Americans against executive tyranny.

1933 WAR POWERS ACT – The ABA controlled Congress passed “*The War Powers Act*,” also referred to as the “War Powers Resolution,” or the “War Powers Resolution of 1973,” is a federal law that governs the president’s power to bring the U.S. into an armed conflict without first obtaining authorization from Congress as required under Article I Section 8 Clause 11.

1933 EMERGENCY BANKING ACT – The ABA controlled Congress dissolved the United States Federal Government through the Emergency Banking Act on March 9, 1933.

1933 GOLD CONFISCATION – The ABA controlled Administration through Executive Order 6102, President Franklin Roosevelt signed into law on April 5, 1933 forbidding the holding of gold coin, gold bullion, and gold certificates by the People within the continental United States.

1934 FEDERAL RESERVE – An astounding exposure Congressman McFadden on the Federal Reserve Corporation Remarks in Congress, 1934; On May 23, 1933, Congressman, Louis T. McFadden, brought formal charges against the Board of Governors of the Federal Reserve Bank system, The Comptroller of the Currency and the Secretary of United States Treasury for numerous criminal acts, including but not limited to, conspiracy, fraud, unlawful conversion, and treason, all orchestrated by the ABA. “*Mr. Chairman, we have in this Country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks, hereinafter called the Fed. The United States has been ransacked and pillaged. Our structures have been gutted and only the walls are left standing.*” The petition for Articles of Impeachment was thereafter referred to the Judiciary Committee and has yet to be acted on.

1934 RULES ENABLING ACT – The ABA controlled Congress abrogated the Law of the Land & replaced it with civil law giving the Supreme Court the power to make rules of procedure and evidence for federal courts “*in equity.*”

1938 US SUPREME COURT – On September 16, 1938, eight of nine men, one resigned, the United States Supreme Court, steered by the subversive ABA, authored the Federal Rules of Civil Procedure, particularly Rule 2, thereby committing an act of Treason, where they said, “*The Supreme Court enacted uniform rules of procedure for the federal courts. Under the new rules, suits in equity and suits at common law were grouped together under the term “civil action,” claiming that “rigid application of common-law rules brought about injustice.”*” a/k/a civil law

1944 BRETTON WOODS AGREEMENT – The United States, steered by the subversive ABA, surrendered to centralized banking system. The prevailing economic system of the world is based on the Bretton Woods Agreement, which was established after the second world war. While all the countries thought that the economies of the world would boost and the people would have more money in their hands, little did they know that it was just a plan to destroy the currencies of the world by making the dollar the currency anchor of the world.

1947 CIA & NSA – The ABA controlled Congress created a National police state surveillance grid.

1950 REPORT ON THE NATIONAL LAWYERS GUILD – Revealed a ABA communist plot to destroy America.

1954 INTERNAL REVENUE CODE – Created by the **ABA controlled Congress** provided for an unlawful tax on personal income and created a debtor's prison for those who refused to pay such a slave tax.

1954 THE DODD REPORT – To the Reece Committee on Foundations concerning un-American activities in government; the findings of the Reece Committee were very revealing. It was found out that the big foundations structured and steered by the ABA were promoting internationalism and collectivism. By their subversive funding activities they posed a clear threat to our American Republic and way of life. The foundations were monumental in shaping the education and foreign policy of the United States and not only this but the foundations had their presence in all areas of society and in some areas had become more powerful than the federal government. Research and experimental stations were established at selected Universities, notably Columbia, Stanford, and Chicago. Here some of the worst mischief in recent education was born. In these Rockefeller and Carnegie established vineyards worked many of the principal characters in the story of the suborning of American education. Here foundations nurtured some of the most ardent academic advocates of upsetting the American system and supplanting it with a Socialist state.

1971 SOUTHERN POVERTY LAW CENTER (SPLC) – In acts of high treason and lies the SPLC Intelligence Report, proclaiming to be the nation's preeminent periodical monitoring the radical right in the United States, is fueling all government agencies and police departments into believing that anyone that uses specific words like militia, sovereign, oath keepers, constitution, patriots and even founding fathers, to name just a few, are armed, radicals and dangerous cop killers, whose names are put on the terrorist watch list. This agitation often causes police to over-react with excessive force and on a few occasions respond by SWAT when these words are used at traffic stops. Much of the over-reaction that fuels the police comes from *that spews forth the lies of the Southern Poverty Law Center* to unsuspecting law-enforcement agencies and departments. The SPLC is an arm of the BAR whose purpose is to excite violence by federal agents and police upon We the Sovereign People who are trying to make sense of our out of control federal judiciary and be free.

1993 JAMES TRAFICANT'S BANKRUPTCY SPEECH – Speaker-Rep. James Traficant, Jr. (Ohio) addressing the House revealing the bankruptcy of the United States into the Congressional Record. All United States Offices, Officials, and Departments are now operating within a de facto status in name only under Emergency War Powers. With the Constitutional Republican form of Government now dissolved, the receivers of the Bankruptcy have adopted a new form of government for the United States. This new form of government is known as a **Democracy**, being an established Socialist/Communist order under a new governor for America, [referring to the Organic Act of 1871].

US CONSTITUTION ARTICLE III SECTION 3: Treason against the United States, shall consist only in levying war against them, or in adhering to their enemies, giving them aid and comfort. No person shall be convicted of treason unless on the testimony of two witnesses to the same overt act, or on confession in open court.

18 U.S. CODE § 2385 ADVOCATING OVERTHROW OF GOVERNMENT: Whoever, with intent to cause the overthrow or destruction the government of the United States or the government of any State, Territory, District or Possession thereof, or the government of any political subdivision therein, prints, publishes, edits, issues, circulates, sells, distributes, or publicly displays any written or printed matter advocating, advising, or teaching the duty, necessity, desirability, or propriety of overthrowing or destroying any government in the United States by force or violence, or attempts to do so; ... shall be fined under this title or imprisoned not more than twenty years, or both, and shall be ineligible for employment by the United States or any department or agency thereof, for the five years next following his conviction.

18 U.S. CODE §2381 - TREASON: Whoever, owing allegiance to the United States, levies war against them or adheres to their enemies, giving them aid and comfort within the United States or elsewhere, is guilty of treason and shall suffer death, or shall be imprisoned not less than five years and fined under this title but not less than \$10,000; and shall be incapable of holding any office under the United States.

In conclusion the truth is that the “Revolutionary War” never ended it only continued covertly. Whereas the British BAR worked tirelessly to destroy the United States until in 1871 the deep state was firmly established in Washington DC and the traitorous British BAR transformed into the American Bar Association (ABA) in 1878. We have been living in a well-crafted fiction that has changed our Republic into a democracy, our Common Law into civil law, our unalienable rights into privileges, our Law Courts into chancery courts all while the People are totally unaware that they have lost control of their own government because they have no memory of these things!

A paradigm shift from fiction to reality is eminent! We stand at the precipice with a window of opportunity to take back control of our government. In order to be transformed from slavery to Liberty we must abolish the traitorous political parties and the American BAR Association. And this can only be accomplished by the People through Committees of Safety.

WE THE PEOPLE ARE SOVEREIGN

SOVEREIGN: *A person, body, or state in which independent and supreme authority is vested; a chief ruler with supreme power; a king or other ruler with limited power.*

PREAMBLE TO THE CONSTITUTION: *“We the people of the United States, in order to form a more perfect union, establish justice, insure domestic tranquility, provide for the common defense, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.”*

“The very meaning of ‘sovereignty’ is that the decree of the sovereign makes law.”¹

Indeed, the Supreme Sovereign of the Universe is Nature's God, who commanded His people in Genesis 1:10 & 28 to subdue the earth [land] which means to bring it into subjection, under the Law. And we did that when we declared the “laws of Nature's God” to be the “Supreme Law of the Land. Only the People exercising their sovereign authority over government through Committees of Safety (the real Committeemen) and Grand and Petit juries can this be accomplished. And ONLY THEN WILL WE HAVE “GOVERNMENT BY CONSENT,” and not before.

Article VI paragraph 2: *This Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and the judges in every state shall be bound thereby, anything in the Constitution or laws of any State to the contrary notwithstanding.*

DECLARATION OF INDEPENDENCE: *When in the Course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with another, and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.*

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.--That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, --That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness.

PEOPLE ARE SOVEREIGN and can only be tried in courts of law by fellow sovereigns and not bureaucrats [political tribunals, a/k/a judges]. “The doctrine of Sovereign Immunity is one of the Common-Law immunities and defenses that are available to the Sovereign.”²

“Supreme sovereignty is in the people, no authority can, on any pretense whatsoever, be exercised over the citizens of this state, but such as is or shall be derived from and granted by the people.”³

“In United States, **sovereignty resides in people**. The Congress cannot invoke the sovereign power of the People to override their will as thus declared [Constitution].”⁴

“It is the public policy of the[se] state[s] that public agencies exist to aid in the conduct of the people’s business. The **people do not yield their sovereignty to the agencies which serve them**. At the Revolution, the sovereignty devolved on the people; and they are truly the sovereigns of the country, but they are sovereigns without subjects with none to govern but themselves.”⁶

“Sovereignty itself is, of course, not subject to [positive] law [a/k/a statutes], for it is the author and source of [legislated] law; but in our system, while sovereign powers are delegated to the agencies of government, sovereignty itself remains with the people, by whom and for whom all government exists and acts And the Law (Constitution) is the definition and limitation of power.”⁷

“In America, the people govern, the people rule, and the people are sovereign. I was elected not to take power, but to give power to the American people, where it belongs; If the righteous many, do not confront the wicked few, then evil will triumph.”– President Trump address to the United Nations on September 19, 2017.

If the People do not have 100% Control of the Political and Judicial processes they cannot have “Government by Consent.” George Washington said, “*Parties are your worst enemy and will subvert the power of the people and usurp for themselves the reins of government.*”

Thomas Jefferson said, “*The Constitution is a mere thing of wax in the hands of the judiciary, which they may twist and shape into any form they please.*⁸ *The germ of dissolution of our federal government is in the constitution of the federal Judiciary; an irresponsible body (for impeachment is scarcely a scare-crow) working like gravity by night and by day, gaining a little today and a little tomorrow, and advancing its noiseless step like a thief, over the field of jurisdiction, until all shall be usurped.*”⁹

Socialist lawyers, a/k/a progressives, have dominated our legislation since the beginning of the twentieth century and our judiciary since at least 1948. These socialists will argue that the People are ‘not’ sovereign, and that we are subject to their fiction of law.¹⁰ If we are subject to their

REPUBLIC -V- DEMOCRACY

Article IV Section 4: *The United States shall guarantee to every state in this union a REPUBLICAN form of government, and shall protect each of them against invasion;*

There are 5 basic forms of government they are; (1) Monarchy (rule by one person), (2) Oligarchy (rule by a small handful of people), (3) Democracy (rule by majority of the citizens), (4) Republic (rule by law), and (5) Anarchy (no government, mob rule).

Presently, there are 159 Republics in the world among them are China, Russia, Korea, Iran, Iraq, and Cuba. What they all have in common along with all Monarchies, Democracies, Oligarchies, and Anarchy is “Rule by man. Democracies always lead to mob rule and eventually transforms to an Oligarchy often hidden behind the façade democratic republic, peoples republic, socialism, Marxism, communism or democracy, to name a few.

Thomas Jefferson rediscovered a unique type of Republic one ruled by “Natures God” and not man, mirrored under Israel that was established by God through Moses in 1400 BC. This was demonstrated by Jefferson and Franklin proposed Seals that express Israel’s Exodus out of Egypt. Jefferson added a back side of the Seal representing Israel’s Common Law brought to Brittan in the 5th century by two Anglo Saxons named Hengist and Horsa from the Germanic tribes from the north. Unfortunately the two sided seal of the United States were represented by Rome (eagle) and Egypt (pyramid) whose law traces back to Babylon the exact opposite of Israel.

While trying to discover a form of government John Adams wrote that: *“Democracy never lasts long. It soon wastes, exhausts, and murders itself. There was never a democracy that did not commit suicide.”* Our Founding Fathers reviled democracy and gave their posterity a Republic, as Thomas Jefferson said: *“The Republican is the only form of government which is not eternally at open or secret war with the rights of mankind.”*

- Edmund Burke – *“Of this I am certain, that in a democracy the majority of the citizens is capable of exercising the most cruel oppression upon the minority...”*
- Thomas Jefferson – *“A democracy is nothing more than mob rule, where 51 percent of the people may take away the rights of the other 49 percent.”*
- Benjamin Franklin – *“Democracy is two wolves and a lamb voting on what to have for lunch. Liberty is a well-armed lamb contesting the vote.”* Winston Churchill – *“The best argument against democracy is a five-minute conversation with the average voter.”*
- Aristotle – *“Unlimited democracy is, just like oligarchy, a tyranny spread over a large number of people.”*
- **Federalist No. 1, Hamilton**: *“The necessity of a government at least equally energetic with the one proposed, to the attainment of this object; the conformity of the proposed constitution to the true principles of a Republican Government in its equivalence to our state constitutions.”¹⁹*
- **Federalist No. 10, Madison**: *“Democracies have ever been spectacles of turbulence and contention; have ever been found incompatible with personal security or the rights of*

property; and have in general been as short in their lives as they have been violent in their deaths.”

- **Federalist No. 10, Madison:** *“Democracies have, in general, been as short in their lives as they have been violent in their deaths.”*
- **Anti-Federalist No. 10:** *“True democrats are in general fanatics and enthusiasts, and some few sensible, charming madmen.”*
- **Anti-Federalist No. 18-20:** *“A confederacy of republics must be the establishment in America, or we must cease altogether to retain the republican form of government. From the moment we become one great republic, either in form or substance, the period is very shortly removed when we shall sink first into monarchy, and then into despotism. ... Before we establish a government, whose acts will be the supreme law of the land, and whose power will extend to almost every case without exception, we ought carefully to guard ourselves by a bill of rights, against the invasion of those liberties which it is essential for us to retain, which it is of no real use for government to deprive us of; but which, in the course of human events, have been too often insulted with all the wantonness of an idle barbarity.”²⁰*
- **Federalist No. 48:** *“In a democracy, where a multitude of people exercise in person the legislative functions, and are continually exposed, by their incapacity for regular deliberation and concerted measures, to the ambitious intrigues of their executive magistrates, tyranny may well be apprehended, on some favorable emergency, to start up in the same quarter.”²¹*
- **Anti-Federalist No. 74:** *“There is not a tincture²² of democracy in the proposed constitution, except the nominal elections... Every freeman of America ought to hold up this idea to himself that he has no superior but God and the laws.”²³*

Auberon Herbert, a 19th century British politician and writer described democracy like this: *“Five men are in a room. Because three men take one view and two another, have the three men any moral right to enforce their view on the other two men? What magical power comes over the three men that because they are one more in number than the two men, therefore they suddenly become possessors of the minds and bodies of these others? As long as they were two to two, so long we supposed each man remained master of his own mind and body; but from the moment that another man, acting Heaven only knows from what motives, has joined himself to one party or the other, that party has become straightaway possessed of the souls and bodies of the other party. Was there ever such a degrading and indefensible superstition? Is it not the true lineal descendent of the old superstitions about emperors and high priests and their authority over the souls and bodies of men?”*

We constantly hear Congressmen, Senators, Presidents, and even United States Supreme Court Justices refer to America as a democracy. Are our elected servants that ignorant of our Constitution, our History, and our Heritage? Or is there a methodical covert conspiracy hell-bent

on destroying our Republic? Just how close are we? Or should I say how close were we? I think the following says it all when President Barack Obama during the 2016 White House Correspondents' Dinner where he predicted Hillary Clinton's presidency in 2017 said;

*"The end of the republic has never looked better."*²⁴

And then the unexpected happened, by God's mercy and divine providence the coup failed and President Trump was elected in her stead and declared in contrast; *"In America, the people govern, the people rule, and the people are sovereign. I was elected not to take power, but to give power to the American people where it belongs."*²⁵

Elected and appointed servants are creatures of the law, a/k/a the United States Constitution. Whereas, "We the People" as sovereigns are subservient to the laws of Nature's God alone. Not civil law! Not equity! "We the People" ordained and established the Constitution for the United States of America and thereby vesting a clipped sovereignty to Congress under Article I, the President under Article II, and the Supreme Court under Article III, this is the Supreme Law of the Land.

As a consequence, "We the People" are above the Constitution whereas the aforesaid three branches of government are bound under the Constitution and thereby restricted (clipped) in authority and jurisdictions. We have not vested Congress with the authority to legislate our behavior. All legislative statutes, codes, and regulations implemented in equity courts are for elected, appointed and hired government servants alone and commercial activities.

Black's Law defines a democracy as that form of government in which the sovereign power resides in and is exercised by the whole body of free citizens, as distinguished from a monarchy, aristocracy, or oligarchy. According to the theory of a pure democracy, every citizen should participate directly in the business of governing, and the legislative assembly should comprise the whole people. Of course this is not possible and if it were, without a Constitution this would be "mob rule."

Representative Democracy, being a government liberated from a Constitution, would place "We the People" under the thumb of the legislators, the judiciary and the administration that would then have the power to give or take the Peoples rights at will. Such a government would not be able to sustain three separate and equal branches one would eventually subdue the others. Nor would a democracy permit a government by consent of the People. A representative democracy will always become an oligarchy which is a small group of people having control of a country behind what appears to be a democracy. Not unlike the Deep State in the United States today because "We the People" being ignorant of our heritage and having been told for more than 100 years by our servant government who have become our masters that we are a democracy and the populous believe.

*"With the introduction of Representative Democracy, which is a form of government where the "powers of the sovereignty" are delegated to a body of men, elected from time to time, who exercise them for the benefit of the whole nation."*²⁶ With such a democracy unshackled by Law (Constitution) the results would be absolute tyranny.

²⁴ President Barack Obama during the 2016 White House Correspondents' Dinner.

²⁵ Sep 25, 2018, President Donald Trump **Addressing the United Nations General Assembly in New York.**

²⁶ 1 Bouv.Inst. no. 31.

In a Republic, a Constitution or Charter of Rights protects certain unalienable rights that cannot be taken away by the government, even if it has been elected by a majority of voters. In a democracy, the majority is not restrained in this way and can impose its will on the minority.

“To highlight the offensiveness to liberty that democracy and majority rule is, just ask yourself how many decisions in your life would you like to be made democratically. How about what car you drive, where you live, whom you marry, whether you have turkey or ham for Thanksgiving dinner? If those decisions were made through a democratic process, the average person would see it as tyranny and not personal liberty. Isn't it no less tyranny for the democratic process to determine [what is lawful and what is not lawful] whether you purchase health insurance or set aside money for retirement? Both for ourselves, and our fellow man around the globe, we should be advocating liberty, not the democracy that we've become where an unscrupulous Congress does anything upon which they can muster a majority vote.”

The inauguration of Thomas Jefferson as President was a monumental moment in American, even world, history. Every detail of the day was analyzed, from Jefferson's decision to walk to the event instead of riding in a carriage, to his plain dress instead of fancy suit and sword. However, the most important part of the whole affair was one line uttered in the middle of his First Inaugural Address,

“We are all Republicans, We are all Federalists”

This was Jefferson's way of shouting from the rooftops that this was a nation of laws, not of men!
