

HOW TO TAKE BACK OUR POLITICAL PROCESS

FIRST WE MUST REVEAL HOW THEY ABROGATED THE ELECTED COMMITTEEMAN

IN 1796 GEORGE WASHINGTON, IN HIS FAREWELL ADDRESS, warned us that through the course of time cunning, ambitious, and unprincipled men would subvert the power of the people and seize for themselves the reins of government through private Associations. He went on to tell us that once they seized the reins of power [the committeeman process], the parties that would arise would;

- 1) Destroy the very engines which have lifted them to unjust dominion,
- 2) destroy the regular deliberation and action of the constituted authorities,
- 3) open the door to foreign influence and corruption, thus the policy and the will of one country will be subjected to the policy and will of another,
- 4) serve to organize division,
- 5) ruin public liberty,
- 6) stifle, control and repress,
- 7) foment occasional riots & insurrection,
- 8) kindle animosity of one part against another,
- 9) put in the place of the delegated will of the nation, the will of the party elite,
- 10) agitate the community with ill founded jealousies & false alarms,
- 11) undermine the Constitution which could not be directly overthrown,
- 12) distract the public councils and enfeeble the public administration,
- 13) drive the spirit of revenge,
- 14) leads to despotism.

Washington concluded, “...parties are truly your worst enemy”.

THE GATE KEEPER - In 1911 Section 21 of the New York election law, which had helped protect our Republic from the ruination George Washington forewarned us about, was cleverly removed. In effect a “gate keeper” clause, Section 21 stated: “... *No organization or association of citizens for the election of city [town] officers shall be deemed a political party...*” (emphasis added). This clause stood to deter the creation of private political associations, which is what the parties are in fact. After eradication of the gate keeper clause was accomplished, then by inserting election law Article 2, the “sub-committee” was crafted to provide for the replacement entity - the **town** committeeman, which the usurpers entitled “Member of the County Committee”.

THIS NON-CONSTITUTIONAL LEGISLATION EMPOWERED "progressive" operatives to facilitate destruction of the elected committeemen, the “engine of freedom”, and seize the reins of power through a somewhat simple change in the titles of their prey. So it was that one hundred (100) years ago, "progressives" operatives in power at the various Board of Election (BOE) offices, working with operatives from both political parties or private associations, together expunged the true elected “Committeeman”; and, implemented the façade we have today, otherwise known as the Democrat and Republican parties. These progressives did indeed subvert the sovereign power of the People, and usurped to themselves the fundamental reins of government - the committeemen. They then destroyed

the very engine, (elected committeemen) which had “lifted them” to their “unjust dominion” over the people. To this day these “progressive” continue to dominate both political parties.

PROGRESSIVE LEGISLATORS IN COLLUSION with collaborators at selected Boards of Election and power players in both political parties, it can be deduced, secretly orchestrated the creation of what in fact are private political party associations. This was indeed a direct but covert assault upon our Republic, and set the stage for the total perversion of the public office designed to be the closest to the will of the people. The assault placed the entire direction and controls of our country into the hands of a small cabal with deliberate intent on destroying the framework of our Constitutional Republic.

IN ORDER TO PULL OFF THEIR SCHEME, empowered by the insertion of election law Article 2, they needed to go unnoticed and undetected and accomplished three objectives, spread out over calculated periods of time:

1. Change the titles from (the elected) “Committeeman” to (the nominated) “Member of the County Committee” at the primary elections. Since the controlling powers saw to preparing the necessary designating petitions for their prey, this was not a difficult exploit.
2. Oscillate part of their power base by changing half the counties in the state to an odd year election. With this set-up, the newbie committeemen would always be met by a pre-existing, in place power structure.
3. Create the necessary but “slanted-toward-rigged” party rules, implemented in pieces over time, to enable control of everyone under their reach.

THE EXECUTION OF THESE THREE THINGS accomplished the expunging of the true *elected* committeemen, so that today there is not one committeeman currently recognized at any Board of Elections (BOE) in New York or by any persons in the political parties.

HOW WE WILL TAKE BACK THE REPUBLIC:

1. Elect true committeemen in each county across the United States.
2. With a court of record and a ground swell of public support, win judgment against the State Boards of Election.
3. Execute judgment upon the Boards of Election guilty of disenfranchisement of our fundamental vote - the committeeman vote.

HOW WE WILL FILL ELECTION DISTRICT COMMITTEEMEN SEATS - Once the truth is revealed to the people, and catches fire in their minds, the current facade of “town committeeman” or “member of the county committee” cannot survive. The revolution has reached a tipping point. We are in the midst of “a perfect storm”; and, depending upon which way the wind blows, our destiny will be determined - a version of a police state - fascism, Marxism, corporatism, statist, and so forth - or the restoration of our Republic. The grass roots, liberty groups are organizing in all 3,141 counties across the 50 states and poised for a direction. We will give them that direction by revealing the most powerful, cost-effective, peaceful solution to save the Republic, the peoples’ “reins of power”- the true, original committeemen of our founders and forefathers.

WE HAVE ALREADY PRIMED THE STATE by preparing two (2) to four (4) people in most of the counties in to become committeemen in recent and future elections, and will thereby take back the “reins of power” at the state level by exercising our power applying declaratory orders from a court of record. Upon our success, we will immediately start pressuring the existing de facto politicians to obey the will of the people and take back control of the elections.

TO BECOME AN ELECTED COMMITTEEMAN IS QUITE SIMPLE but you must pay close attention to the following details.

Each state and each county fill the unelected committeeman seats in different ways but there is only one way to fill the seat with an “Elected Committeeman” if you fail any one of the following requirements you are NOT an Elected Committeeman.

In some counties they do not require designating petitions and elect the committeeman candidates at a caucus or at a party meeting, these are not elected committeemen.

In some counties they walk a petition with the improper title such as “**Member of the County Committee**”, this is not a proper title they are not an elected Committeeman they are just party members.

YOU “MUST” DO THE FOLLOWING TO BECOME AN ELECTED COMMITTEEMAN

- 1) You **MUST** properly fill out your “Designating Petition” **FIND EXAMPLE ATTACHED**
- 2) Any errors on your petition will disqualify you.
- 3) You **MUST** use the designating title which is “**COMMITTEEMAN**” anything else is something else and you would not be an elected committeeman.
- 4) You must be a member of the party you are running for “Committeeman” (Republican or Democrat)
- 5) You must get a list of (Republican or Democrat) people in your election district from your County Board of Election. If they refuse to give it to you contact NLA for assistance.
- 6) Download a “**Political Calendar**” from your County Board of Election website (NY example attached).
 - a. On the Calendar find the title for “**DESIGNATING PETITIONS FOR PRIMARY**” where they will give you the 1st date for collecting signatures and when designating petitions must be filed. Signatures must be collected between these dates any signature before said date will not be accepted.
 - b. You must get 3% of the then enrolled voters of the party residing within the election district for which the position is to be voted. Example – if there are 200 registered voters in your election district you would need 6 signatures. Because some may be disqualified you should double that number, get 12; 300 would require 18 signatures and so on.
 - c. You must file your designating petition between the “**dates for filing your designating petition**”, usually a five day period.

- d. You must file it on the first day permitted which will give you time to file it via Sheriff if they refuse to file your designating petition.
 - e. If they refuse your petition have it served via Sheriff with a cover sheet entitled “**File on Demand**” attached. Any problems with this contact one of NLA National Coordinators immediately, time is of the essence. You can find a National Coordinators at <https://www.nationallibertyalliance.org/site-contact>
 - f. Any discrepancies with your designating petition may invalidate your petition so be careful.
 - g. If you are not elected via “**Signatures on your Designating Petition within your election district**” you are not elected.
- 7) The clerks at the County Board of Election are required by law to file your petition. You should prepare a file on demand just in case the clerks refuse to file your petition; (**FIND A COPY OF “FILE ON DEMAND ATTACHED”**). If they still refuse to file your petition follow 5(e) instructions above.
